WINDOW TINT

HIGH PERFORMANCE AUTO TINT

CREATE A DRIVING EXPERIENCE THAT'S LIKE NO OTHER...

Climate control starts with your windows

It's no secret the sun's rays can cause car interiors to become unbearably hot when the windows are rolled up. But you can keep your cool with FormulaOne® High Performance Auto Tint by LLumar®. High Performance Auto Tint by LLumar®.

Lower interior temperatures mean you don't have to run your air conditioning as often, which can contribute to fuel efficiency and reducing carbon emissions.

Style & appearance

FormulaOne® High Performance Auto Tint by LLumar® takes advantage of the latest innovations and technologies to help ensure a beautiful, long-lasting appearance. With a broad range of shades to choose from, you're sure to find the one that fits your style.

Protection

FormulaOne High Performance Auto Tint by LLumar provides a protective barrier that reduces glare while shielding you and your passengers from more than 99% of harmful UV rays.* It also provides protection from the sun's damaging rays which can cause a vehicle's interior to fade and crack.†

Stratos™ Series

The Stratos Series utilizes our most advanced Hybrid-Matrix™ nano-ceramic technology for our maximum heat rejection with no signal interference.

Pinnacle™ Series

Using innovative nano-ceramic technology, the Pinnacle Series offers excellent heat, glare and UV protection without interfering with signals from your electronic devices.

Comfort™ Series

If you crave heightened style and need heat rejection to help keep you and your passengers cool, then the Comfort Series is the choice for you. This tint combines the look you want and the comfort you need.

Classic™ Series

When it's all about the look of your vehicle and the image you want to project, the go-to choice is Classic Series. The soft charcoal look is available in a variety of shades to complement your style.

*Wavelengths 280-380nm

†Films do not eliminate fading - they reduce it. UV rays and heat are contributing factors to fading, but other factors exist. For further information, see LLumar.com/download-library.
